**Re: Brush Park CDC Letter of Support – Brush Park Development Partners Design Concepts**

Brush Park Community Development Corporation (the “CDC”) forwards this letter to show our support of the design concepts presented by Brush Park Development Partners with respect to the development of approximately 8.4 Acres of property in Brush Park (the “Project”).

The design concepts were presented before the CDC and the Brush Park community at a public meeting held on November 10, 2015. Overall, the community response was positive to the Project. The CDC looks forward to continuing to work with you as your design concepts become more concrete.

We thank you for your time and your interest in Brush Park. A copy of this letter will be forwarded to the City of Detroit Planning and Development office.

Sincerely,

/s/ Karissa Holmes
