Re: 2959 John R. Renovations

The Brush Park Community Development Corporation (the "CDC") forwards this letter to provide feedback on the proposed renovations of 2959 John R., a private residence (the "Project").

The updated Project plan was presented before the CDC and the Brush Park community at a public meeting held on April 29, 2019. Generally, the community response was positive to the renovations. By a vote of 9 in favor, the CDC board unanimously voted to support the Project.

We thank you again for your commitment to Brush Park and making a positive impact in our community.

Sincerely,
